

# TIANS

Develop Your Edge with eCornell's Online Courses from Cornell University

Cornell sets the precedent in tourism education and TIANS is proud to be the first Tourism Industry Association in the Americas to partner in providing online programming to our Industry. Through our partnership with eCornell, we are able to provide our members with an exclusive price of \$699 (CDN)/course – regular pricing is \$1,199/course.

As part of the online offerings, there are over 300 individual courses and 100 professional certificate programs available in a wide array of disciplines including hospitality leadership and management development, food and beverage service, marketing, finance, and technology.

eCornell's unique approach to online learning combines the most effective elements of an Ivy League classroom with the flexibility of an online learning environment. eCornell courses are all developed by Cornell University faculty, and often include practical insights from other industry experts.
